- Effectively assisted in teaching Accountancy and Business Studies to students and helped them to maintain interest that significantly hone learning skills.
- Guided and counseled students with adjustment or academic problems, or special academic interests.

Internship

HR department at Ashok Leyland (Mangalore):

Gained valuable insights into various aspects of human resources management. This experience provided me with the opportunity to observe and participate in the day-to-day operations of the HR team, allowing me to develop a deeper understanding of recruitment, employee relations, and the overall functioning of the HR department within a large and dynamic organization. I am grateful for the valuable experience and knowledge I gained during this internship.
